Deligreen, for every season!

What's in a name? Green, the colour of nature. It symbolises growth, harmony, freshness. Values that this spray chrysanthemum by Deliflor Chrysanten represents. In addition to these symbolic characteristics, Deligreen also is a strong growing, compact flower with excellent leaf quality and a long vase life. The deep green colour gives a powerful appearance in an arrangement.

Be inspired by the trend arrangements. Deligreen, the green novelty of the year!
